

New Proposition 40 River Parkways Proposals
Other Potential Projects

Other potential uses for the money include:

- The mapping and removal of non-native invasive vegetation in potential partnership with the San Diego Police Department (see Agenda Item 10);
- Replacement of all culverts with bridges in Mission Valley, in partnership with the City of San Diego (see Agenda Item 5-G);
- Fund construction of a bicycle/walking path under Interstate 163 to connect an existing path on Friars Rd. to FISDRIP;
- Any one of the many projects recommended in the City of San Diego River Park Master Plan.
